

MLH

[Most Innovative Startup Idea]

Imagine having the tools, resources, and support you need to turn your idea into reality. With the Google for Startups Cloud Program, you can harness the power of the Google Cloud Platform to supercharge your startup and scale your project faster than ever.

- **Come up with your next big idea and form a team around it.**
- **Purchase a domain and create an email forward i.e. setup `username@business.com` to forward to your personal email.**
- **If you do not yet have a Google Cloud Console account, sign up using your `@business.com` email address.**
- **Apply [here](#) using the same email in Step 3 or apply by visiting `goo.gle/mlh`**

Do these three things, and you can get up to \$2,000 USD in cloud credits over 2 years, technical training, business support, and Google-wide offers! On top of that, the team with the most innovative idea will win a Google Branded Backpack.
