

Google Cloud:

[Best Use of Google Cloud]

Build your hackathon project with a suite of secure storage, powerful compute, and integrated data analytics products provided by Google Cloud. See full list of products here: g.co/cloud. Learn more about the tools and opportunities with Google Cloud by joining the Google Cloud Student Innovators program - goo.gle/student-innovators. Winners will receive a Google Cloud branded backpack!

Be sure to redeem your Google Cloud Credits as soon as possible through the [Google Cloud Credit Form](#). Use the promo code in your pre-event email to access the form!
